Proposed HOME Program Activities for Funding Year 2010/2011

AMOUNT OF HOME FUNDS TO BE ALLOCATED TO TEMPE: \$ 502,093

The City receives HOME funds from Maricopa County through participation in the Maricopa County Consortium (Consortium members: Maricopa County, Avondale, Chandler, Gilbert, Glendale, Peoria, Scottsdale, Surprise and Tempe). For FY2010/2011, there is an estimated \$507,766 in HOME funds reserved for Tempe.

The HOME program, unlike the CDBG program, requires a 25% non-federal match for the City to receive these funds. For FY2010/2011 the city's match requirement will be \$119,248.

Staff recommends the following program eligible activities:

Program Administration; (5% of HOME entitlement)	\$25,104
Maximum allowed under Consortium Agreement.	
Housing Improvement Programs; Affordable Housing	\$228,494
Funds will be used to fully rehabilitate 6-8 homes for	
low/moderate income families in Tempe. This is a continuation	
of the City's on-going program to rehabilitate substandard owner-	
occupied homes.	
Downpayment Assistance; Affordable <i>Housing</i>	\$228,495
Funds will be used for the Section 8 and Community Assistance	
Mortgage Programs (CAMP). The City's first-time homebuyer	
programs provide direct subsidy to the homebuyer for	
downpayment and closing costs assistance.	
NewTowN CHDO Program Administration;	\$25,000
Funds will be used to assist NewTowN CHDO in the	
administration of its affordable housing programs.	

Recommended Program Income Activities

In FY 2010-2011, it is anticipated that approximately \$50,000 will be received in program income. This amount represents rehabilitation loan pay-offs and/or on-going repayments under the amortized loan program. This program income will be used to augment the HOME Housing Improvement and Downpayment Assistance programs.
